1. INTRODUCTION

1.1. **Ryo Global Markets Limited** ("RYOFX," "we," "us," or "our") is a company incorporated under the laws of Saint Lucia with registration number **2023-00370**. Our registered office is located at Top Floor, Rodney Court Building, Rodney Bay, Gros-Islet, Saint Lucia.

1.2. This Risk Disclosure Notice (the "Notice") is provided by RYOFX to its Clients in order to help them understand the risks that exist in trading activities on financial markets. However, this notice cannot and does not disclose or explain all of the risks and other significant aspects involved in trading CFDs or other financial derivative products. The Client recognizes and accepts that there may be other risks which are not covered in this Notice.

1.3. The Client needs to ensure that any decision to engage in trading and/or entering into any financial transaction and activity offered by RYOFX is made by them on an informed basis, considering their knowledge and experience as well as their personal circumstances. The Client should carefully consider their objectives and risk appetite and should seek professional independent advice if they consider it necessary.

2. GENERAL RISK WARNING

2.1 Trading in financial markets, including Contracts for Difference (CFDs), is inherently risky. CFDs are leveraged products, which means that both profits and losses can be significantly magnified. Leverage can work both for and against the client, and as a result, clients may lose all the capital invested. The client should not risk more than they are prepared to lose.

2.2 RYOFX does not and cannot guarantee the capital or value of a client's portfolio at any time. The value of financial instruments can fluctuate and may even become worthless. The client is advised that the transactions made through RYOFX's services may be speculative, and large losses may occur in a short period.

3. SPECIFIC RISKS OF TRADING

3.1 Regulatory and Legal Risk

Changes in laws or regulations governing the financial markets may have

unforeseen and material effects on the client's investment. The risk related to regulatory or legal changes is unpredictable and can vary depending on the market and jurisdiction.

3.2 Past Performance

Past performance is not indicative of future results. Historical data should not be considered a reliable predictor of future performance.

3.3 No Guarantee of Profit

There are no guarantees of profits, nor any assurances against losses when trading or executing transactions with RYOFX. The client acknowledges that no such guarantees have been made by RYOFX or its representatives.

3.4 Volatility

Financial markets may fluctuate rapidly due to unforeseen events. Such volatility can directly impact the client's profits and losses. RYOFX cannot guarantee the execution of instructions at the requested price.

3.5 Internet Trading Risks

There are risks associated with internet-based trading systems, including hardware/software failure, network interruptions, cyber-attacks, and unauthorized access. RYOFX is not responsible for communication failures or delays that occur when trading via the internet.

3.6 Tax Risks

Clients should be aware that their trading activities may have tax implications. RYOFX does not provide tax advice, and clients should seek independent professional advice regarding their tax obligations before engaging in trading.

3.7 Fees and Costs

Clients are advised to be aware of all applicable fees and charges, as these will affect profitability.

3.8 Information

RYOFX provides general market commentary and does not offer personalized investment advice. All information provided should be viewed as marketing material and not as investment advice.

4. CLIENT'S ACKNOWLEDGMENT

4.1 The client acknowledges that RYOFX's services do not include investment advice. Any information provided by RYOFX is for informational purposes only and should not be construed as a recommendation or guarantee of future results.

4.2 The client acknowledges that this Risk Disclosure cannot cover all risks involved in financial services and transactions. The client should be fully aware of the risks of trading on margin and with cryptocurrencies, and should seek independent advice if necessary. If the client does not understand these risks, they should refrain from engaging in trading activities.
